```

A diagram illustrating the dependencies of the file `keyname.c`. At the top, a gray rectangular box contains the text `keyname.c`. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The box on the left contains the text `kdb.h`, and the box on the right contains the text `string.h`. This visualizes that `keyname.c` depends on both `kdb.h` and `string.h`.
